Zadanie 1.

Przeczytaj uważnie wypowiedzi sześciu osób na temat ich wakacji, a następnie wykonaj podane poniżej zadania zgodnie z poleceniami.

0) *We were very satisfied with service and the staff were attentive and ready to help at all times.....*

1) The resort was gorgeous with a beautiful sandy beach. The only thing was that everything cost a fortune. Restaurants, excursions, jetskis, they had everything, but we did nothing at all because we just couldn't afford it. After a few days we were broke so we ended up having sandwiches and watching everyone else enjoying themselves.

2) I was dead by the end of it. I'd always wanted to go so I thought I'd better make the most of it. We didn't do much during the day, just try to catch up on our sleep, but in the evenings we saw three musicals and went clubbing to all places in town every night. Absolutely fabulous. Can't wait to get back.

3) Well, it was absolutely brilliant. The hotel was a high-rise damp; they hadn't even completed plastering it. The food was wonderful if you like raw eggs and stale bread, and the service was as friendly as you could expect from a prison camp. It was a perfect destination for your worst enemy.

4) When we got in to the check-in they told us there would be a slight delay. Six hours later we finally got on to an ancient plane and when we were airborne I just closed my eyes and prayed. Later it turned out that we were too late for the train and our baggage had got lost somewhere.

5) On the first day we went down to the restaurant and it was truly revolting. Some inedible fish with a spicy sauce! Eventually, we decided to check out other places in the town and we were really spoilt for choice. I just couldn't wait for dinner time to arrive.

6) The funny thing is that although it was really freezing, I got sunburnt. There had been heavy snowfalls just before we got there and conditions were tremendous. I couldn't have hoped for anything better. If only it'd been the same last year.
